

## A Student's Dictionary of Psychology (Paperback)

By Nicky Hayes, Peter Stratton

Taylor Francis Ltd, United Kingdom, 2012. Paperback. Book Condition: New. 5th Revised edition. 196 x 128 mm. Language: English . Brand New Book. A Student's Dictionary of Psychology is an essential reference for all undergraduate psychology students and those studying psychology for the first time, including those in related disciplines such as health care and social science. It provides the reader with clear definitions of key concepts from all areas of psychology. This new edition of A Student's Dictionary of Psychology adopts a slightly different format and extended content to previous editions, but it continues to be an explaining dictionary rather than simply a set of one-line definitions. Following up all the references and cross-references relating to a topic should give the reader a reasonable overview of the subject; in that sense, the authors have often referred to it as a kind of random-access textbook, as well as a dictionary of the main terms in psychology. Key features include: \* Over 2,400 entries in total; \* Extensive cross referencing for easy navigation; \* Mini biographies of key psychologists; \* Common abbreviations and a list of key reference works; \* Study notes section. This new edition includes increased coverage...
