This book was written to enrich your relationships regardless of your marital status. If you have never been married we realize all this may be a little overwhelming. If they couldnt make it work after five tries, what chances do I have You just may be thinking this. This book is especially written for you. We are the crash test dummies that survived to tell you what not to do, so that you can enjoy a happy fulfilled marriage. We have isolated the issues you need to address before and during your marriage so that you dont end up as another statistic. Just think of the possibilities. A golden anniversary, grand-kids, the works! Some chapters are amplifications of topics already discussed and are meant to reinforce certain points. Divorce is painful not only for the couple involved, but also for their extended families, friends, and indirectly to the community at large. But most of all, divorce hurts children. A lot of the tragedy we see on the six oclock news can be traced back to a broken home....
