Concrete Durability: Achievement and Enhancement: Proceedings of the International Conference, Dundee, July 2008: Proceedings of the International Conference, Dundee, July 2008

By Sivakumar Kandasami, R. K. Dhir, T. A. Harrison, L Zheng

IHS BRE Press. Hardback. Book Condition: new. BRAND NEW, Concrete Durability: Achievement and Enhancement: Proceedings of the International Conference, Dundee, July 2008: Proceedings of the International Conference, Dundee, July 2008, Sivakumar Kandasami, R. K. Dhir, T. A. Harrison, L Zheng, In recent decades, great progress has been made in developing specifications and application technologies for durable and sustainable concrete. Performance-based specifications and durability models have been developed, and concrete has diversified into a group of innovative products, with high strength, low permeability, self compacting, with polymer and carbon fibre reinforcement, and its applications extended to extreme conditions (tropical, marine, seismic etc). For long-lasting concrete structures it is important to use a multi-step approach, so "replace, repair and retain" becomes increasingly important in the sustainable approach to managing structures. This issues are covered in 92 papers by leading international experts in this volume, grouped into four themes: Retaining and extending performance; Fundamental mechanisms; Replace, repair and retain; Extreme exposure conditions. Each theme starts with a keynote paper by the foremost exponents in their fields. This volume forms Volume 3 of the six-volume set of proceedings of the International

Reviews

Extensive guide! Its such a excellent read. This can be for anyone who statte that there was not a worth looking at. I am just effortlessly will get a satisfaction of looking at a written publication.

-- **Melvin Hettinger**

This book will not be effortless to start on reading through but very exciting to learn. It is amongst the most remarkable book i have got go through. Once you begin to read the book, it is extremely difficult to leave it before concluding.
