Reviews

Very helpful for all class of people. Sure, it is actually play, nonetheless an amazing and interesting literature. It is extremely difficult to leave it before concluding, once you begin to read the book.

COLLINS SCHOOL WORLD ATLAS

HarperCollins Publishers, United Kingdom, 2013. CD-ROM. Book Condition: New. New Whiteboard Second ed. 192 x 135 mm. Language: N/A. Brand New. An introductory atlas for secondary schools, perfectly designed to support and motivate Key Stage 3 students in geographical and mapping skills. This Whiteboard edition of Collins School Atlas for secondary school students aged 11-14 is designed to help students develop map, atlas and data handling skills. The content adheres closely to the requirements of the National Curriculum and incorporates results of classroom testing. Its clear and accessible layout will motivate pupils of all abilities at Key Stage 3 and S1-S2. An easy to follow introductory map and atlas skills section, useful for both teacher and pupil, is followed by clear, easy to read reference maps presented with locator maps, fact boxes and flags, descriptive text, detailed map keys and photos. This new edition has been fully updated with the latest available data and more detail on climate change, urban pollution and more thematic mapping of the UK. Carefully selected focus country studies include mapping on contrasting regions and special topics. The latest available country-by-country statistics are listed in a separate section and the index includes full latitude and longitude values. This Whiteboard edition of the atlas is ideal for group teaching or for use on individual computers. A full range of interactive flipcharts to support this atlas are available as downloadable files. These charts are easy to use and allow teachers and learners to further develop atlas skills.
