Reviews

It is one of the best books. Indeed, it really is a play, nevertheless an amazing and interesting literature. It is extremely difficult to leave it before concluding, once you begin to read the book.

THE COMMON SENSE APPROACH TO HAZARDOUS MATERIALS, THIRD EDITION

Fire Engineering Books & Videos, 2009. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: An accomplished author with decades of experience working in the plastics industry and teaching the chemistry of hazardous materials to emergency responders, Frank Fire has updated his book covering the basic approach to hazardous materials. In the new third edition, each chapter has been revised (where required) to reflect changes since the second edition was published. For example, each chemical mentioned whose volume or usage has changed has been updated, including their usage as a chemical warfare agent. A new chapter covers each class of chemical warfare agents. An excellent resource for emergency responders and those involved in departmental training programs or curriculum development.
