By Matt Rudd

HarperCollins Publishers. Paperback. Book Condition: new. BRAND NEW, The English: A Field Guide, Matt Rudd, A hilarious field guide to the world's most remarkable and unusual creatures: the English. Who are the English? What is this puzzling species? Where does it live? What are its habits? What does it eat? Why does it eat that? And why has it developed such unexotic mating rituals? Join us on a journey deep into the natural habitat of the English, a journey to rival anything David Attenborough did with gorillas, a journey that begins on a sofa (and continues, unflinchingly, into the kitchen, out into the garden, off to work, down to the pub and then on to the beach and the bedroom). This unprecedented adventure will take you to a DFS store, to Blackpool's third best B&B, to the coffee kiosk on platform one at 5.35 in the morning. You will step into a ready-meal curry factory, a naturist's back...
