This is Shanghai is a first hand account of expat life in China s (and the world s) largest city. Like a guidebook, it helps newcomers and visitors discover the city; but instead of making quickly-outdated lists of restaurants and museums, Alexander Barrett takes you on a tour of the essential facets of existence in Shanghai. Follow him through the sometimes incredibly old, sometimes futuristic, and often just plain strange sights, sounds, and experiences he s come across in the first year of exploring the city. With its light, humorous style and sharp eye for those key details that explain the sprawling reality of a huge metropolis, this book is perfect for anyone who wants a friendly guide to Shanghai or just a window onto another, fascinating world.
