Pub a Date: 2013 Pages: 137 Language: Chinese in Publisher: Economic Publishing House of China. China's economic library Applied Economics Collection (1): urban and rural development. employment. household registration. and land-use systems linkage study for important initial results of the researcher Yi Xiao Guang, chaired the National Social Science Fund project (09XJL003). China's economic library Applied Economics a boutique series (1): urban and rural development. employment. household registration. and land-use systems linkage study reviewed the related theory of urban and rural development at home and abroad and the new Chinese urban and rural institutional change course from employment. residence and land use of the three basic elements associated with the internal economy start of employment Reform. reform of the household registration system starting point. the reform of the land use system to support protection linkage reform innovative ideas. and then a comprehensive analysis of the Reform of the the system linkage reform in key areas that promote the system linkage reform should be based on central top-level design and local implementation of classifications to find potential breakthroughs in...

Reviews

This ebook is great. It typically will not expense a lot of. You will not sense monotony at at any moment of your own time (that's what catalogs are for about when you question me).
