

The Outlands of Heaven (Paperback)

By George Vale Owen

Lulu.com, United States, 2016. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Soft Cover: This book was originally published in England in 1921, and is the fifth of a five volume set. The first half of the book covers how children learn and teach themselves. Then the second part of the book deals with the borderlands. These are the planes just outside the real hells. It would appear that the Law of Attraction is somewhat elastic, as there are many cases of spirits travelling further than their condition really would benefit them. A number of advanced spirits operate in these areas, and have to be quite strong in their approach to dealing with these unruly semi-dark spirits. There are also some anecdotes of how they handle massacres, where not surprisingly the dead guys want to rush back and get their revenge. There is one story of how Wolfhere (a woman with several centuries of experience here) handles on her own 10,000 guys who don't want their leader to be a woman, and are about, so they think, to make some changes.
