Brand New Book ***** Print on Demand *****.Excerpt from Elementary Statics: Principally Designed for the Use of Candidates for First and Second Class Certificates, and for the Intermediate Examination The following pages contain the substance of the lectures on Statics, delivered to the students of the Second Division in the Normal School, Toronto, during the past five years. They are now published in compliance with resolutions passed at several Teachers Associations, and at the request of many excellent teachers in High and Public Schools. Throughout the book, I have constantly kept in view the requirements of Candidates for Second Class Certificates and for the Intermediate Examination, who have not, in general, obtained the knowledge of mathematics, which most elementary books on Statics presuppose. In the perusal of the following pages, which will be found to contain all that is usually comprised in Elementary Treatises on Statics, the only thing required of the student is a competent knowledge of the First Book of Euclid and simple equations in Algebra. Each chapter is divided into sections with the same fundamental idea running through the section. The...
