

Walking in the Haute Savoie: South: Book 2: Annecy-Chamonix (Faucigny/Haut Giffre, Aravais/Borne)

By Janette Norton

Cicerone Press. Paperback. Book Condition: new. BRAND NEW, Walking in the Haute Savoie: South: Book 2: Annecy-Chamonix (Faucigny/Haut Giffre, Aravais/Borne), Janette Norton, The Haute Savoie region of France lies in the southeast of the country below Lake Geneva. While the region is probably best known for its famous Mont Blanc range, this guide opens up to walkers the dozens of other, less frequented mountains in the Haute Savoie, which are just as delightful. This guide is the second of a series of two volumes covering the walking possibilities in the Haute Savoie. Book 1 covers gentle pre-alps south of Lake Geneva (Chablais, Salve and Valle Verte), across to the Swiss border. Book 2 covers the higher peaks to the south, between Annecy and Chamonix, and describes 30 walks in the area. Both volumes of the guide also give historical background, descriptions of the different areas the walks start from, plus additional information regarding the towns and villages which can be used as a base. There are chapters concerning how to get there, equipment, walk explanations, flora and fauna.
