Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Eliza Carlisle has the unwanted talent of attracting trouble, in all its forms. That couldnt be truer than when she moves into the most bizarre apartment building on the planet. Weekly required dinners with the landlord and assigned chores are bad enough, but the rules dont end there. Top most on the list of requirements is NO physical violence against the others residents. There have been issues. In the past. The young manager, Sonya, claims that hasnt been a problem recently, but Eliza comes home from her first day of culinary school to find a dead resident, her next door neighbor looking good for the crime, and a cop that seems more interested in harassing her than solving the case. All Eliza wanted was to escape her past and start over, completely anonymous in a big city. Thats not going to be so easy when the killer thinks shes made off with a valuable piece of evidence everyone is trying to get their hands on. The ultimatum that she turn it over to save her own life creates a small problem. Eliza has no idea what the killer wants, or where the mysterious object might be. If she cant uncover a decades old mystery in time, surviving culinary school will be the least of her problems.
