Button Books, United States, 2015. Mixed media product. Book Condition: New. 260 x 230 mm. Language: N/A. Brand New Book. This is a new title in bestselling series from world-renowned illustrator Alain Gree. It teaches children to recognise a range of colours with the help of stunning vintage illustrations. Reverse of jacket is a wall poster illustrated with images of the book. It is suitable for children aged 2-5 years. Alain Gree s beautiful illustrations from the 1960s and 70s are known throughout the world. With their naivety of form and bold use of colour, their charm is undeniable. Aimed at children aged 2 to 5 years, Colours is a beautiful arlin-covered hardback with embossed artwork and jacket. Clear, easy-to-read text is presented alongside the illustrations to teach a child to recognise a range of colours. Short sentences that use the colour are featured throughout as examples to reinforce and learn from. Despite their simplicity, there is a richness of content in the illustrations that children will be fascinated by, and this wealth of information will be a joy for adults to share and discuss, making the potential for learning endless.
