

Scientific Style and Format: The CSE Manual for Authors, Editors, and Publishers (8th Revised edition)

By Council of Science Editors

The University of Chicago Press. Hardback. Book Condition: new. BRAND NEW, Scientific Style and Format: The CSE Manual for Authors, Editors, and Publishers (8th Revised edition), Council of Science Editors, For more than fifty years, authors, editors, and publishers in the scientific community have turned to Scientific Style and Format for authoritative recommendations on all matters of writing style and citation. Developed by the Council of Science Editors (CSE), the leading professional association in science publishing, this indispensable guide encompasses all areas of the sciences. Now in its eighth edition, it has been fully revised to reflect today's best practices in scientific publishing. Scientific Style and Format citation style has been comprehensively reorganized, and its style recommendations have been updated to align with the advice of authoritative international bodies. Also new to the eighth edition are guidelines and examples for citing online images and information graphics, podcasts and webcasts, online videos, blogs, social networking sites, and e-books. Style instructions for physics, chemistry, genetics, biological sciences, and astronomy have been adjusted to reflect developments in each field. The coverage of numbers, units, mathematical expressions, and statistics has been revised and now includes more information on managing tables, figures, and indexes. Additionally,...
