Pub Date: 2012 09 Pages: 152 Language: Chinese in Publisher: Tourism Education Press annual report of the Department of Tourism Development in China: the Chinese leisure development annual report (2011-2012) based on the existing research scholars . based on the redefinition of casual connotation definition as well as leisure theory framework. and draw valuable conclusions with some innovative. focused in the following five areas: study identified leisure theory boundary. The report of the the residents day 24 hours into the work or labor time. housework and meet the physical needs of time and leisure time. Some scholars do not think that watching TV and home activities are casual. but in this report is an important part of the leisure. Some scholars believe that the travel and leisure in parallel or even antagonistic activities into leisure areas in this report. Two levels of supply and demand at the same time in the frame of the study from the start. Departure from the investigation of urban and rural residents. to study the needs of the leisure industry conditions and the analysis of listed companies from casual. leisure industry supply conditions. Macroeconomic environment combined with the development of the leisure industry. the state of the industry and market structure of the leisure industry. Compared with the focus on the study of a particular theory of the leisure industry perspective. the report also studied the leisure industry demand. supply and market conditions. the formation of a more perfect chain of research and theoretical framework. with strong innovative. Contents: Introduction I. Status and trends of leisure studies. leisure macro background research framework. innovation and significance of Chinese residents leisure behavior research 2011-2012 survey...
