After his father died suddenly, Jack was forced to leave his law practice and take over his father's company. And, oh, yeah, pull it back from the brink of catastrophe. The one bright spot in the whole mess was his new hire, an old business-school friend, Samantha Edwards. Samantha was just as smart, fun and vibrant as she'd been in school, but now she was a hell of a lot sexier. Samantha Edwards knew what she wanted, and it wasn't love. She'd already made a mess out of her life once. She wasn't about to jeopardize the best job she'd ever had by breaking the cardinal rule of business: falling for the boss. And yet, Jack needed her. And she needed him because if he could put the company back together, perhaps he could heal her, too. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN.
