Reviews

A high quality pdf as well as the typeface applied was exciting to see. It really is written in simple words and phrases rather than difficult to understand. You will not really feel monotony at any time of your time (that's what catalogs are for relating to in the event you question me).

Martingale. 1 Paperback(s), 2012. soft. Book Condition: New. For you fabric lovers who have collected too many fat quarters (those irresistible little bundles of fabrics cut into quarter-yard squares) this abundantly photographed and illustrated book offers a collection of 17 contemporary and traditional quilt patterns especially designed for fat quarters, with clear step-by-step instructions and helpful tips throughout. Some projects use just a few quarters combined with a coordinating fabric, while others are made exclusively from fat quarters, showcasing everything from batiks to Japanese taupes, reproduction prints, and modern prints and solids. 95.
