

From African Plant to Vaccine Preservation (Hardback)

By Nel Yomtov

Cherry Lake Publishing, United States, 2014. Hardback. Book Condition: New. 257 x 251 mm. Language: English . Brand New Book. Learn about how nature has inspired technological innovations with this book on the similarities between an African plant and preserving vaccines. Integrating both historical and scientific perspectives, this book explains how a plant inspired the invention of a new way to preserve vaccines. Readers will make connections and examine the relationship between the two concepts. Sidebars, photographs, a glossary, and a concluding chapter on important people in the field add detail and depth to this informational text on biomimicry.
