HOBBS: A VERY SHORT INTRODUCTION

DOWNLOAD

Oxford University Press. Paperback. Book Condition: new. BRAND NEW, Hobbes: A Very Short Introduction, Richard Tuck, Thomas Hobbes, the first great English political philosopher, has long had the reputation of being a pessimistic atheist, who saw human nature as inevitably evil and proposed a totalitarian state to subdue human failings. In this illuminating study, Richard Tuck re-evaluates Hobbes's philosophy and dispels these myths, revealing him to have been passionately concerned with the refutation of scepticism, and to have developed a theory of knowledge which rivalled that of Descartes in its importance. ABOUT THE SERIES: The Very Short Introductions series from Oxford University Press contains hundreds of titles in almost every subject area. These pocket-sized books are the perfect way to get ahead in a new subject quickly. Our expert authors combine facts, analysis, perspective, new ideas, and enthusiasm to make interesting and challenging topics highly readable.
