TOBACCO: THE DESTROYER A Compilation of Convincing Evidence Is tobacco a poison? Does it destroy or do serious injury to mankind? Even if both the foregoing questions be answered YES by Science, is it not possible that the general harmfulness of tobacco habit is overrated by those who are opposed to tobacco? These are fair questions. I am fair, too. I am not an anti-tobacco crank in the usual sense of the term. I recognize the tobacco industry as an enormous one. I know there are many excellent persons engaged in it. I have friends who are high in the councils of Tobaccodom. I hate quarrels or acrimonious debates. But, withal, I am a fighter against what my moral sense tells me is wrong. Therefore I must frankly acknowledge that I am convinced tobacco is a race poison, and that the trifling part it fills in human sociability is not worthy of consideration when compared with the vast amount of harm that it is doing to humanity. In this Appendix I give facts. Everything is proven by chapter and verse. I have covered the subject widely, being limited in the results set down here solely by my desire to keep this book under encyclopedic size. In these researches loads of opinions and beliefs have been discarded because they were not scientifically conclusive, although, as a matter of fact, they were largely true. At the end of the Appendix you will find the list...
