PEACHTREE CITY

DOWNLOAD

Arcadia Publishing (SC). Paperback / softback. Book Condition: new. BRAND NEW, Peachtree City, Rebecca Watts, Ellen Ulken, Clarence Lyons, In 2009, Peachtree City is a 50-year-old thriving anew town.a But when it was incorporated in 1959, it was 5,000 acres of farmland with little more than potential. The 1960 census did not record an official count until implored to three years later so that the city could apply for federal funds. Even by the next federal census, the city had less than 1,000 people. However, by the mid-1970s, the population was close to 5,000, and the next three decades saw phenomenal growth as the city kept a balance between industry, greenspace, and the needs of its residents. Moving from potential to fruition takes planning, cooperation, and determination from a cityas leaders. In the late 1950s, young Georgia Tech student Joel Cowan enlisted the help of local banker and insider Floy Farr, and together they laid the foundation for Peachtree City. The 1980s and 1990s would see increased growth as word spread about Georgiaas planned community and its vast promise for a near-perfect life. Peachtree City is one of Americaas anew townsa that did not go bustamanaging to go from bud, to boom, to bloom . . . a place its residents alove to call home.a.
