

The Changing Face of Rural Space: Agriculture and Rural Development in the Western Balkans (Paperback)

By Julian A. Lampietti, David G. Lugg, Philip Van Der Celen

World Bank Publications, United States, 2009. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Although at different stages of development, the countries of the Western Balkans Albania, Bosnia and Herzegovina, the former Yugoslav Republic of Macedonia, Montenegro, and Serbia face similar challenges in transforming and modernizing their agricultural food production (agri-food) sectors. Their rural sectors have lagged behind the rest of the economy in growth and poverty reduction, their agri-food sectors are undercapitalized and highly fragmented, and their agro-processing capacities limited. Agricultural trade deficits are widening, climate change is posing increasing risks to farm incomes, and low-cost imports and changing consumer preferences are further eroding competitiveness. Added to this scenario are the challenges and opportunities of adopting the EU *acquis communautaire* relating to agriculture. Based on recent World Bank reports prepared in collaboration with the Food and Agriculture Organization of the United Nations and the European Commission Directorate General for Agriculture and Rural Development, *The Changing Face of Rural Space: Agriculture and Rural Development in the Western Balkans* identifies what is constraining agricultural competitiveness in these countries, examines public expenditures in agriculture, and diagnoses key challenges for agricultural policy makers....

Reviews

A top quality publication along with the font used was intriguing to read. I really could comprehend everything using this written e book. Its been designed in an remarkably straightforward way and it is only after i finished reading through this publication by which basically altered me, modify the way i believe.
