CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 184 pages. Dimensions: 8.0in. x 5.4in. x 1.0in. From the creator of the mash-up, Pac-Txt, comes the next great leap backwards in technology, Paper Pong. Mixing retro with the even-more-retro, Paper Pong melds together the technological achievements of Gutenberg from the 1400s with the arcade classics of the 80s. Pushing finite state machines to their limits, Paper Pong includes an unbeatable AI (p2. y ball. y), no ability to encode score and a nearly unbearable level of discrete ball positions, making this book useful for little more than a coffee table conversation piece. Each page is an elegant monochromatic state of a Ping-Pong game, with the option of either moving the paddle up or down by selecting the desired directions page indicated by arrows on your paddle, which will lead you to the next state of the game.
