Reviews

This publication will be worth purchasing. It really is written in simple terms instead of difficult to understand. It's been designed in an exceptionally simple way and is particularly only right after I finished reading this ebook in which basically modified me, alter the way I believe.

Wisdom Tree, New Delhi, India. Softcover. Book Condition: New. Astrology began when man looked up at the sky for answers to questions about life, himself and people he knew. He found the knowledge he was looking for in the universe around him, a wisdom that reached its pinnacle in the Vedic age. The Vedas call astrology the 'eye' by which man can see and understand. The author, a reputed astrologer, systematically unties the knots of the complex science of Vedic astrology, and presents it in a very simple and lucid manner. Printed Pages: 332.
